

ft_atol

```
graph LR; A[ft_atol] --> B[ft_isdigit]
```

A diagram showing a call from the function `ft_atol` to the function `ft_isdigit`. The `ft_atol` box is on the left, shaded gray, and the `ft_isdigit` box is on the right, white. A blue arrow points from the right side of the `ft_atol` box to the left side of the `ft_isdigit` box.

ft_isdigit
