

ft_add_node

```
graph LR; A[ft_add_node] --> B[ft_strlen]
```

A diagram showing a call from the function `ft_add_node` to the function `ft_strlen`. The `ft_add_node` box is shaded gray, and the `ft_strlen` box is white. A blue arrow points from the right side of the `ft_add_node` box to the left side of the `ft_strlen` box.

ft_strlen
